To Whom It May Concern,

On behalf of 3D Cricket Club Inc., I am pleased to provide this reference for **VXL Education Tasmania** and its Director, **Mr Bishnu Sapkota**.

VXL Education Tasmania has been a valued partner and strong supporter of 3D Cricket Club throughout the year 2025-2026. Their contribution has gone well beyond financial sponsorship. They have consistently supported our club, our players and our activities in many ways.

Throughout our partnership, VXL Education Tasmania has supported 3D Cricket Club through:

- Financial sponsorship and ongoing support of the club throughout the season.
- Providing vouchers and complimentary service vouchers to our players, including recognition and rewards for player performances.
- Supporting club events, tournaments and other cricket activities.
- Promoting and encouraging our club within the wider community.
- Being available whenever the club needed support, advice or assistance.

Mr Bishnu Sapkota has personally maintained a very close relationship with our club. He has always been approachable, supportive and genuinely interested in the growth of 3D Cricket Club. We have particularly appreciated that his involvement has not simply been as a sponsor, but as a genuine partner who celebrates our achievements and supports our players and the wider club community.

Our experience working with VXL Education Tasmania has been extremely positive. Their contribution has helped us grow as a young multicultural cricket club and provide more opportunities, recognition and encouragement to our players.

We sincerely appreciate everything VXL Education Tasmania and Mr Bishnu Sapkota have contributed to 3D Cricket Club. We are proud of our partnership and look forward to continuing and strengthening this relationship for many years to come.
